# Reflections to the Speeches by Young Scientists

16.10. 2014

Monika Wehrli

Andrin Flütsch

from the Swiss Study Foundation

# Today's Presentations

- **Commodity Spot and Future-Markets**  
Marco Haase
- **Micronutrition Malnutrition – The Hidden Hunger**  
Maria Andersson
- **Biodiversity as the Key to Food and Nutrition Safety**  
Hans R. Herren

- 
- **Multi-sectorial and multi-disciplinary solutions**
  - **Bias in research**
  - **Sustainable agriculture focussing on biodiversity**  
*e.g. biological pest control*
  - **GMO and synthetic biology**
  - **Politics and lobbying**
  - **Industrial implementation of the scientific research outcomes**

*Let's do an approach with a more global perspective.*

*Talk, talk, talk – ACT*

# We want to encourage you!

- **Multi-sectorial and multi-disciplinary solutions**
- **Bias in research**
- **Sustainable agriculture focussing on biodiversity**
